French EMWIS Focal Point

www.semide-fr.org

EURO-MEDITERRANEAN PARTNERSHIP - PARTENARIAT EURO-MÉDITERRANÉEN

Participants

- **Focal points from:**
 - **Algeria**
 - **France**
 - **Morocco**
 - **Tunisia**
 - **Spain**
- **Technical unit**

Preliminary comments

- **Existing content published by the NFP is already valuable**
- **Recommendations focused on improving the existing sections while limiting the efforts required**

Water institutions theme

- Renaming “Institutions” by “Stakeholders” with the following subsections:
 - Institutions
 - Associations / NGO
 - Private companies

- Including an organigram describing the role and competences of the main public institutions in the field of water

Education & training

- **2 sub sections**
 - Academic with diploma
 - Vocational training

- **For each sub-section, classification by themes**

- **Link to MEDA-Tempus national contact**

- **For international training, possibility to display courses recorded by the Technical Unit using an automatic process of syndication (xml)**

Research & Development

- Focus on development rather than on research
- Identification of ministries/agencies financing the water sector in the country or organisations managing R&D programs
 - Database of national projects
 - Reports, thesis to be published under the documentation section
- (Annual) national public budget for water development and research with related priorities

Data management

- **Classification of water data providers by themes including for each themes**
 - **contact details**
 - **Direct web access if existing**
