

SYSTEME EURO-MEDITERRANEEEN D'INFORMATION SUR
LES SAVOIR-FAIRE DANS LE DOMAINE DE L'EAU

SEMIDE
EMWIS

EURO-MEDITERRANEAN INFORMATION SYSTEM ON
KNOW-HOW IN THE WATER SECTOR

Seminar on “Water Information Systems of Turkey & EMWIS”

15 December 2005

General Directorate of State Hydraulic Works (DSI)

Ankara / TURKIYE

National Hydrologic Information Network

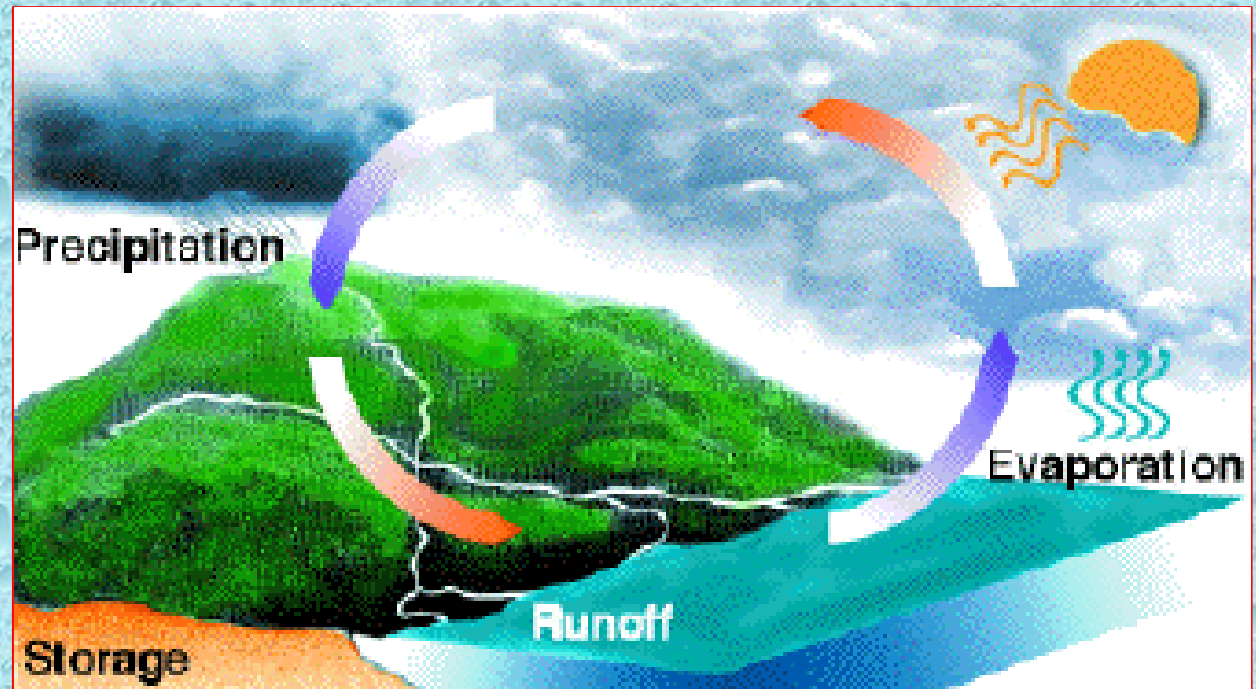

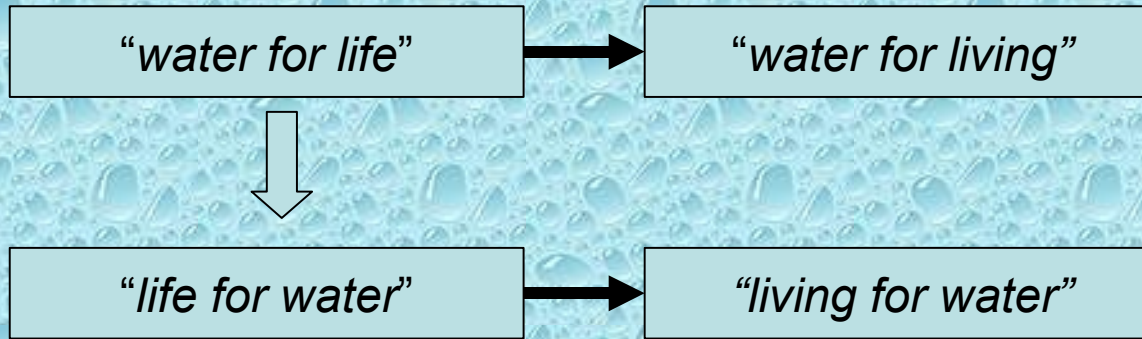

Hamza ÖZGÜLER

**Person in charge with
the Office of International Hydrological Affairs
DSI Investigation and Planning Department**

Water for life!

(Su hayat içindir!)

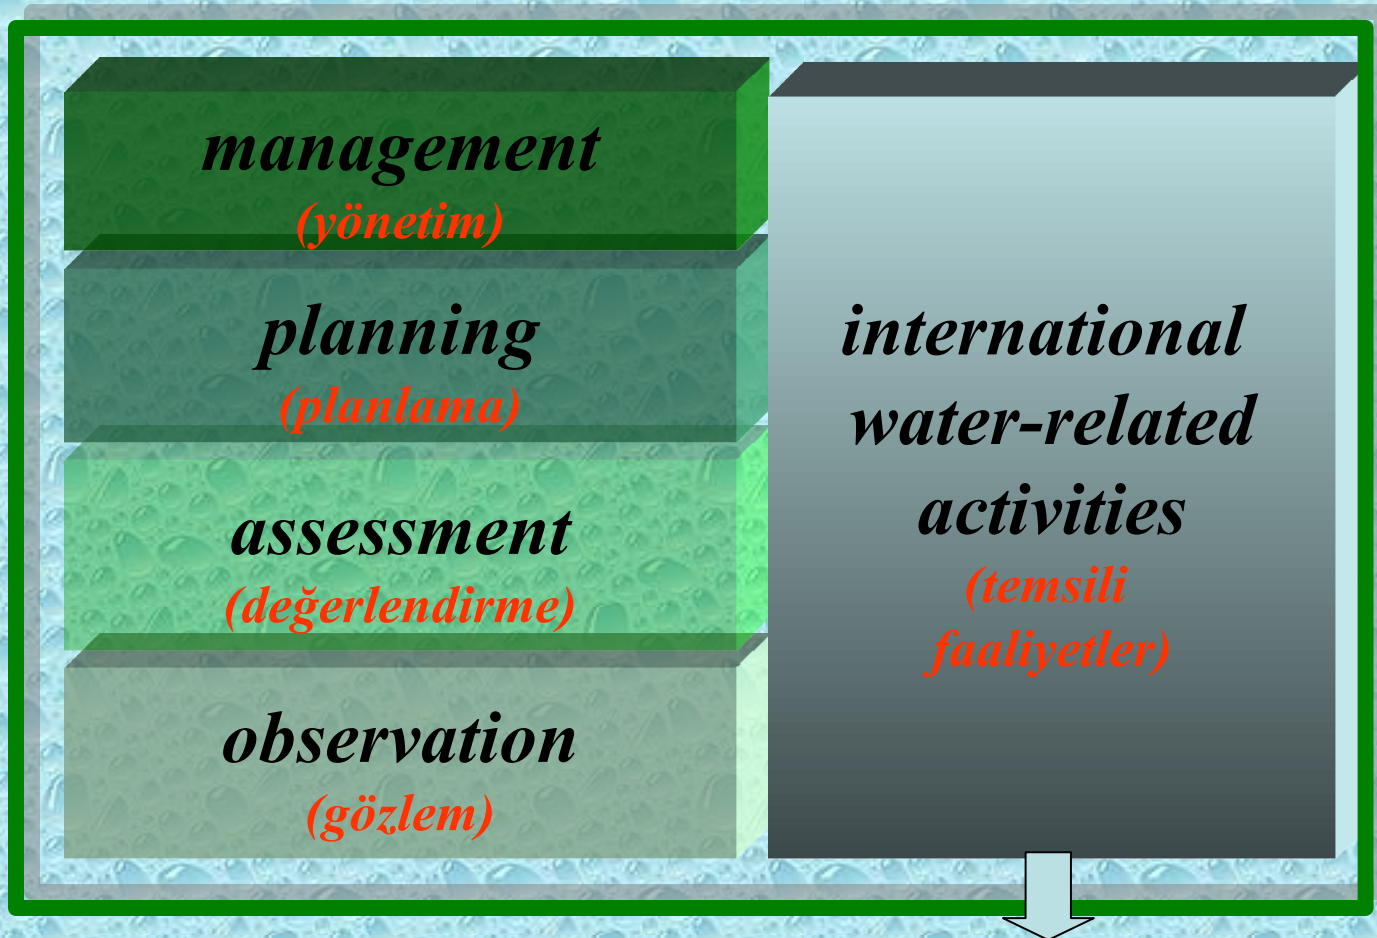

The theme of International Water Decade

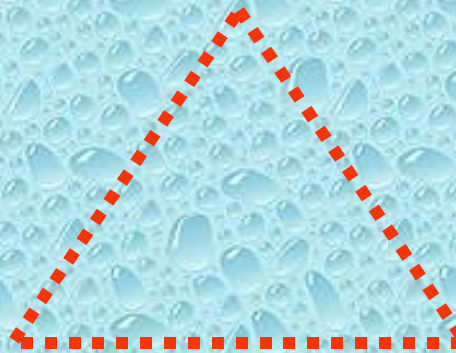

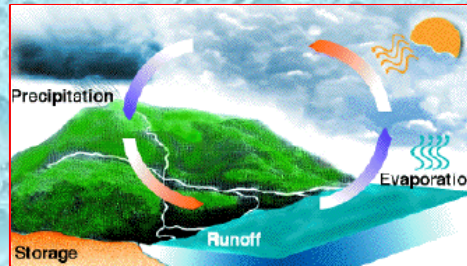

**in Turkey,
water-related works are
coordinated and implemented
by
General Directorate of State Hydraulic Works
(DSI)**

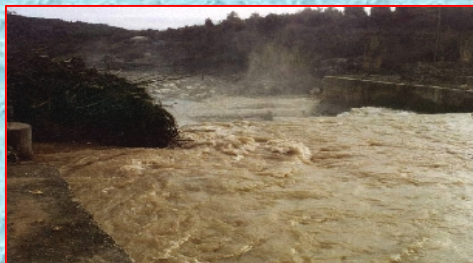

DSI's involvements in water issues

the oldest and foremost international nongovernmental organization that deals with the research on hydrology and water resources: **IAHS**

issues regarding water resources and hydrological applications: **WMO**

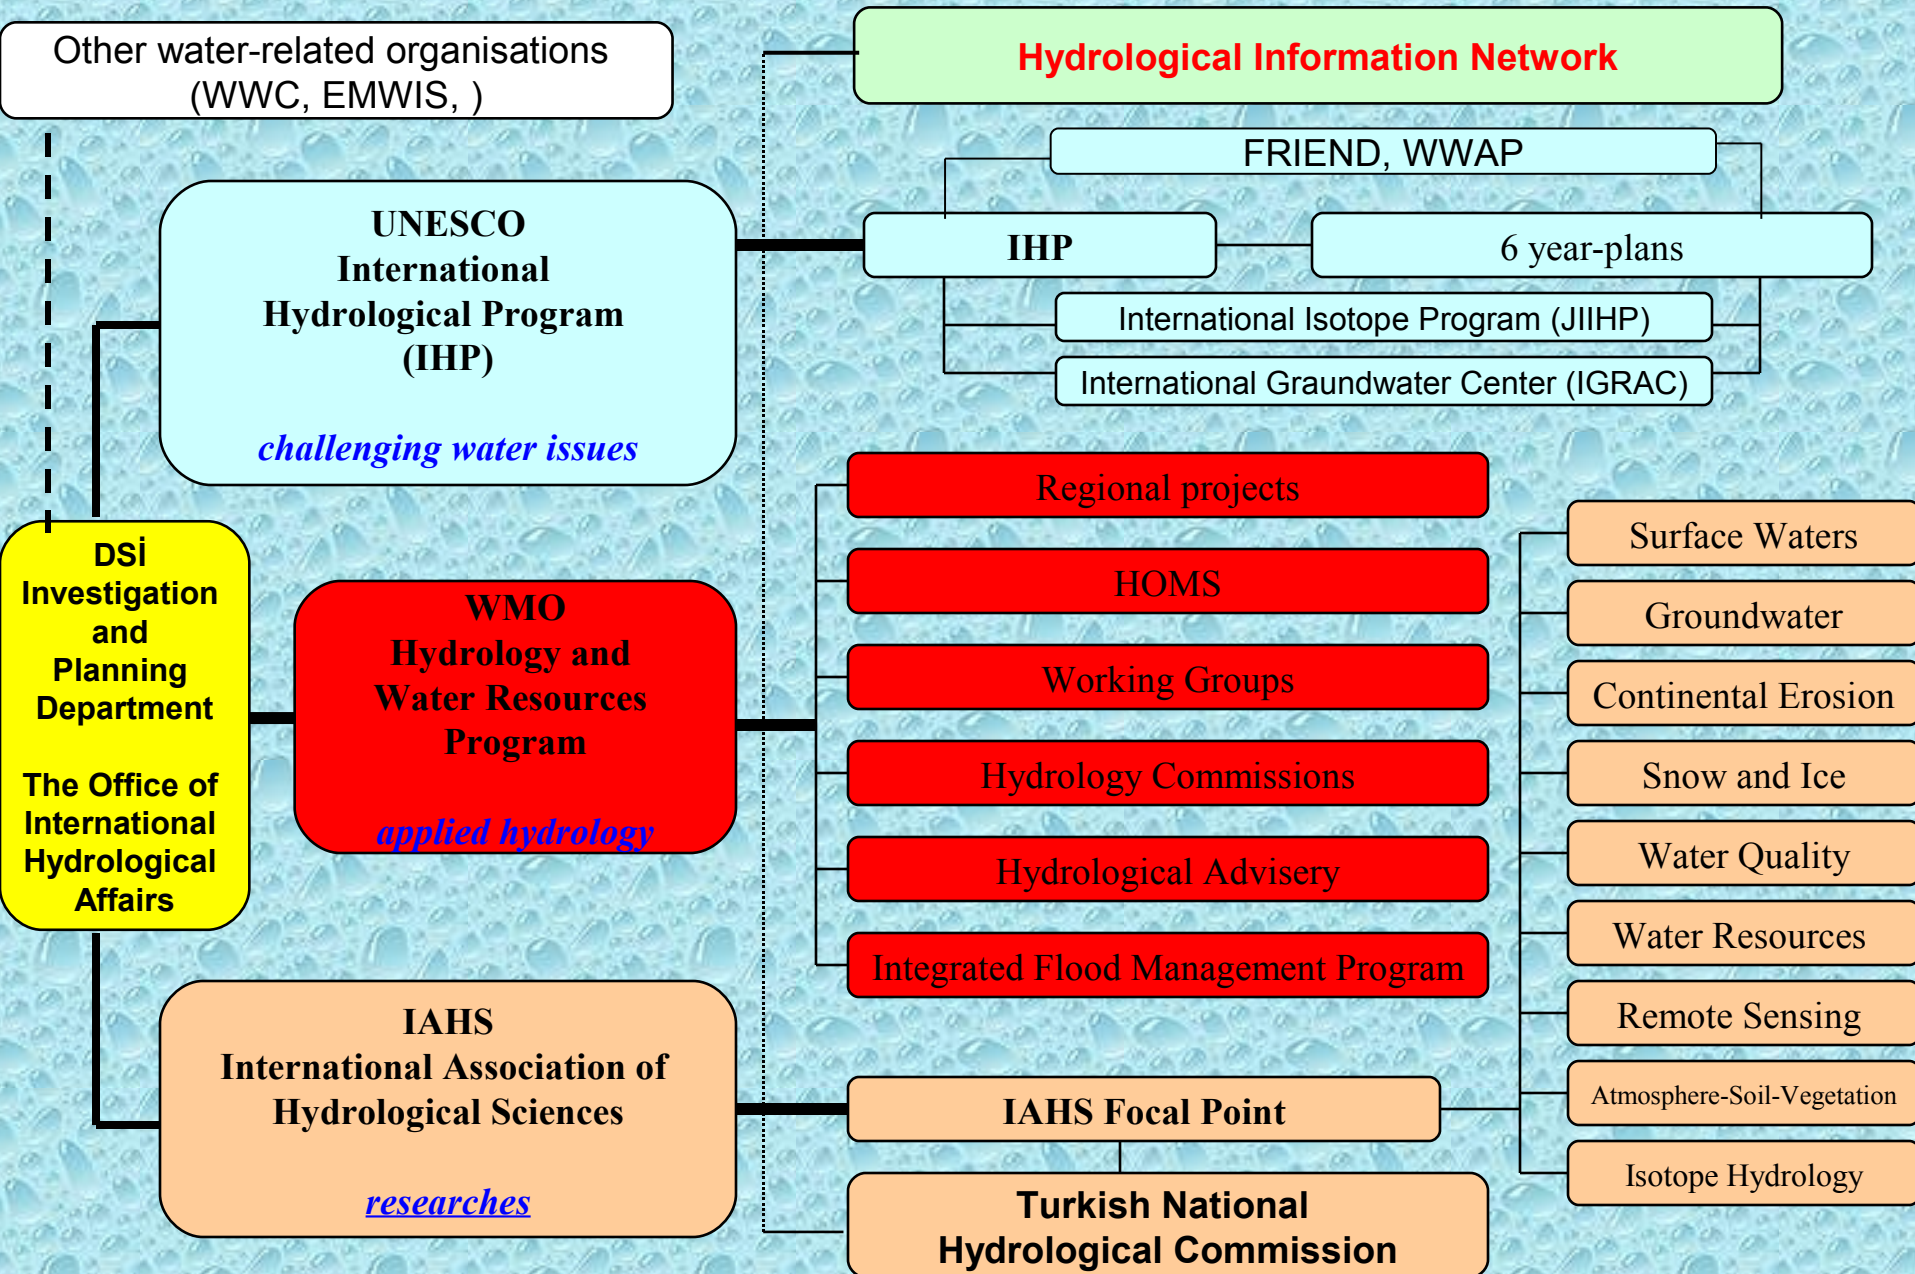

IHP is a research oriented scientific program of **UNESCO**

Content of the Hydrology e-Bulletin

Hidroloji e-Bülteninin ana başlıkları

- International hydrological publications
 - National hydrological publications
 - Hydrological research studies
 - Publications added to Hydrologic Archive
 - National hydrological activities
 - Int. hydrologic activities and announcements
 - International hydrological links
 - Hydrological projects
 - Eco-hydrological informations
 - WMO related hydrological informations
 - Info. related to National Hydrologic Com.
 - IAHS related informations
 - UNESCO/IHP related hydrologic informations
 - EMWIS related informations
 - World Water Council informations
 - Other information
 - Did you know?
 - Discussion subjects
 - Vacancy informations
 - From the members
 - Water related preverb
 - Uluslararası hidrolojik yayınlar
 - Ulusal hidrolojik yayınlar
 - Hidrolojik araştırma çalışmaları
 - UHF Arşivine ulaşan yayınlar
 - Ulusal hidrolojik etkinlikler
 - Su konulu uluslararası etkinlikler ve duyurular
 - Uluslararası hidrolojik bağlantılar
 - Hidrolojik projeler
 - Eko-hidrolojik bilgiler
 - WMO bağlantılı hidrolojik bilgiler
 - Türkiye Ulusal Hidroloji Komisyonu bilgileri
 - IAHS bilgileri
 - UNESCO / IHP bilgileri
 - EMWIS kaynaklı bilgiler
 - WWC (Dünya Su Konseyi) Bilgileri
 - Diğer bilgiler
 - Biliyor muydunuz?
 - Tartışma konuları
 - İş duyuruları
 - Üyelerden
 - Haftanın sözü
- (* Issues informed in the edition
- (* Bu sayıda değerlendirilen alt bölümler

Some water-related proverbs used in Turkey

Be precious like water!

Su gibi aziz olun!

Water finds its own way as it flows!

Su aka aka yolunu bulur!

National focal point for

- Turkish National Hydrological Commission
- International Association of Hydrological Sciences (IAHS)
- World Meteorological Organization Hydrology Programme
- UNESCO International Hydrological Programme (IHP)
- Hydrological Operational Multipurpose System (HOMS)
- World Water Assessment Programme (WWAP)
- Joint International Isotope Programme in Hydrology (JIHP)
